

Cerâmica Scalla is one of the most traditional yet innovative producers of pottery in the State of São Paulo, Brazil. The leader in the Brazilian market, the company is well known for the high quality of their products as well as its trendy new collections that stay abreast with market innovations.

Scalla potteries are produced with the highest quality raw materials in a state-of-the-art line production with high precision. All pieces are tested and approved from the beginning of their production with a priority for the safety of its employees as well as the safety of its products.

Cerâmica Scalla makes the difference with its:

- own design
- exclusive products
- line production
- distribution all over Brazil
- customized products, according to the needs of each client
- innovative products, with exquisite colors and forms.
